Re: Lafreniere v. United States
Civ. 2004 40070 NG

Sir:

I am the plaintiff in this action to recover damages from the government because of their failure to return seized property to me. It apparently has been lost by the F.B.I. No question as to my right to its return has been raised. On April 11, 2005 I served and mailed copies of my Response to the governments Motion to Dismiss. I have not received any reply thereto by the government nor any decision from the Court since that date. If there was a response by the government or if you have issued a report or decision would you please have a member of your staff send me a copy.

Thank you for any assistance that you can provide me.

Very truly yours,

Daniel E. Lafreniere
